### HURRICANE RECOVERY MISSION TRIP

The Missions Team is investigating doing a mission trip this Spring to help with the restoration process for those who have been ravished by the recent hurricanes and flooding. There are several ways for you to get involved:

1. Pray...pray for the people, the early response teams the recovery and rebuilding teams. Pray about how you can help, and pray that Trinity will have the resources to support a mission trip.
2. Donate to Trinity now to help fund the upcoming trip. It's estimated to take several thousand dollars so we need to start early with raising the necessary funds. If for some reason we raise funds but are not able to go on the trip, all collected monies will be forwarded to UMCOR.
3. Volunteer...as the team investigates how and where we can plug in to the recovery efforts, let us know of your interests in volunteering. It can be to go on the trip or to help prepare for the trip. Contact Kay Etzler at 301-514-8293 or [etzler11405@gmail.com](mailto:etzler11405@gmail.com) if God is nudging you in this area.

Trinity has the reputation of responding and helping those in need especially when given a specific need. These people need our help. It is going to take years for them to recover and rebuild their lives. Please pray and then act on what God may be asking of you.
