

YOM HASHOAH PROGRAM

MAY 5, 1 PM AT BETH SHOLOM CONGREGATION

Featuring

HERTA GRIFFEL BAITCH

After Nazi Germany annexed Austria, Beila Griffel made the painful decision to send her only child, seven-year-old Herta, to the United States. Herta was never reunited with her mother—she died after being deported to Nazi-occupied Poland—and was one of the only children in her Jewish elementary school class in Vienna to survive the Holocaust.

Please join us as we remember and honor the victims of the Holocaust through readings, prayers, music and more
