RECYCLING PROGRAM

Our Children's Grow Time lessons have challenged our children to see themselves as "Caretakers of God's creation". Recycling is one way to help care for the planet. The children want to help Trinity recycle and have provided recycle bins throughout the building for you to use. The children (and helpful parents) will be collecting the contents and getting them to county recycling. The children are encouraging you to be good caretakers of God's Creation.

FOR YOUR CHILD DURING WORSHIP

There are colorful tote bags in the Narthex that have coloring books and crayons for your children to borrow during church service. Please make sure they are treated with care and returned for the next church service.
