HOLINESS - Grow Time Class - currently - Nov. 18 via Zoom on Wed. Evenings at 7:30pm led by Pastor Eliezer

"John Wesley: Holiness of Heart and Life" is a four weeks study on John Wesley's major theological themes. Mr. Wesley sought to renew the Church of England and transform the world by having Christians take seriously that they were called to live holy lives. He stressed that every Christian should be sanctified, which is the way he described the work of the Holy Spirit to free our lives from sin, and into newness of life. Accordingly, Mr. Wesley sought to discover modes of life — holiness — which would send the disciples to the world in order to transform it in the name of Jesus.

Email Pastor Eliezer at seniorpastor@trinityfrederick.org to participate.

Talking Points: THE PERFECT BLEND OF POLITICS & RELIGION WITH ANDY STANLEY -

Grow Time Open Door Class - November 8 & 15th - Sunday Evenings via Zoom at 7pm

What Is Jesus' Take on Politics? Your favorite candidate will win or lose based on how our country votes this November. However, the church will win or lose based on our behavior between now and then.

How Christians Should Approach Politics Our political views are shaped by a number of variables: our backgrounds, education, and personal experiences to name a few. It's easy to feel like our view is the right one, but the person beside you is more precious to God than your political view.

What Is The Role of the Church in Politics? The unity and diversity of the early church shocked and intrigued the ancient world. Ours should as well.
