Welcome Pastor Shannon!

Hello Trinity! I wanted to use the news letter to introduce myself and invite you to meet with me!

One of my favorite scripture verses and the way I understand what it means to be a Christian is John 10:10b when Jesus explains, "I came that they may have life, and have it abundantly." I strive to live abundantly and to help others live abundantly through our generosity and advocacy and service, through our hospitality and kindness and prayer. Abundance, for me, happens through imagining and living into a world where everyone has enough to eat and no one lives in fear of violence and everyone

Since I was young, I community was a place dantly and help others

I am a life-long United generation clergywoman- love of God through in Vacation Bible trips to Bosnia and Her- I took over teaching schooler, and my mom

feels enveloped in love. thought the church where I could live abundantly.

Methodist and second an. I experienced the Sunday school teachers, School, and on mission zegovina as a teenager. parts of VBS as a middle said she knew I had a

call to ministry then but I didn't! I went to college thinking I would become a missionary, that I would serve God in some way working for social justice or in caring or teaching ministries. I wanted a job like my mom's, but I never wanted to be a pastor! I had my first faith crisis in college when life did not go as planned, and emerging from that hurt is when I first heard my call to ministry.

I parent with my wonderful spouse Aaron Harrington. We have been together since high school and still kinda like each other! He is a pilot for a charter jet company, and he loves all things airplanes. He used to be an aerospace engineer, he is restoring a 1940s airplane (I helped ribstitch!), and he has his helicopter license too. He is also the chief flight instructor at Frederick Flight Center. He is currently teaching himself to play the banjo to prove he has other interests besides airplanes. We love traveling together, whether or not Aaron is flying us there, and exploring Frederick. He fills my life with abundant love and has abundant patience with me when I am weird. Which happens on occasion (or maybe all the time, but I'll let you find that out). We have a dog named Stella, two cats, and six chickens, all of whom feature prominently in our adventures as well.

I hope you sign up for one of my meet-and-greets later this summer or email me about another time to meet up in person or virtually. I want to hear your faith stories and find out your hopes and dreams for our ministry together. May we all live into the abundant life Jesus came to give us!
