So what do the 10 Commandments have to do with me today?

### Pastor Mark to lead a Zoom-based Bible Study Mondays starting May 17 ♦ 6 weeks ♦ 7-8pm

Join Pastor Mark as he leads the study, *Words of Life: Jesus and the Promise of the Ten Commandments Today*. Best-selling author Adam Hamilton brings modern eyes to the most famous set of rules in history, recovering the Ten Commandments as more than just a set of onerous prohibitions. He considers the commandments in their historical context, unpacking the meaning of each commandment in Hebrew, how Jesus reinterpreted them, and how Jews and Christians have understood them over the millennia. He also explores how the latest research in science and psychology illuminates these commandments, rightly understood as a way of ordering one's life beautifully in the present day. In a culture marked by workaholicism, materialism, and social media-driven envy, God has given us a time-tested path that leads to gratitude, confidence, and peace.
