

John is married to Patricia and together they have four children and 6 grandchildren. They lived in Gettysburg for 13 years and moved to Frederick in 2017. They moved here to be closer to most of the grandchildren and enjoy being involved in their lives and watching them grow.

John loves sports and is a fan of the Boston Red Sox. He especially enjoys watching his grandsons play baseball, soccer, and ice hockey!! He loves to read and enjoys a good movie, one of his all- time favorites is Forest Gump. John and his wife enjoy watching old movies too... they don't make them like they used to. John loves to visit with his grandchildren, family and friends.

John and Patricia have been attending worship at Trinity and appreciate the ministry of Pastor Eliezer and staff and the welcoming members of Trinity. They usually attend the 11:10 am worship service.
